Parivaar: Madhya Pradesh

1. Parivaar Seva Kutir

2. 24*7 Ambulance Services

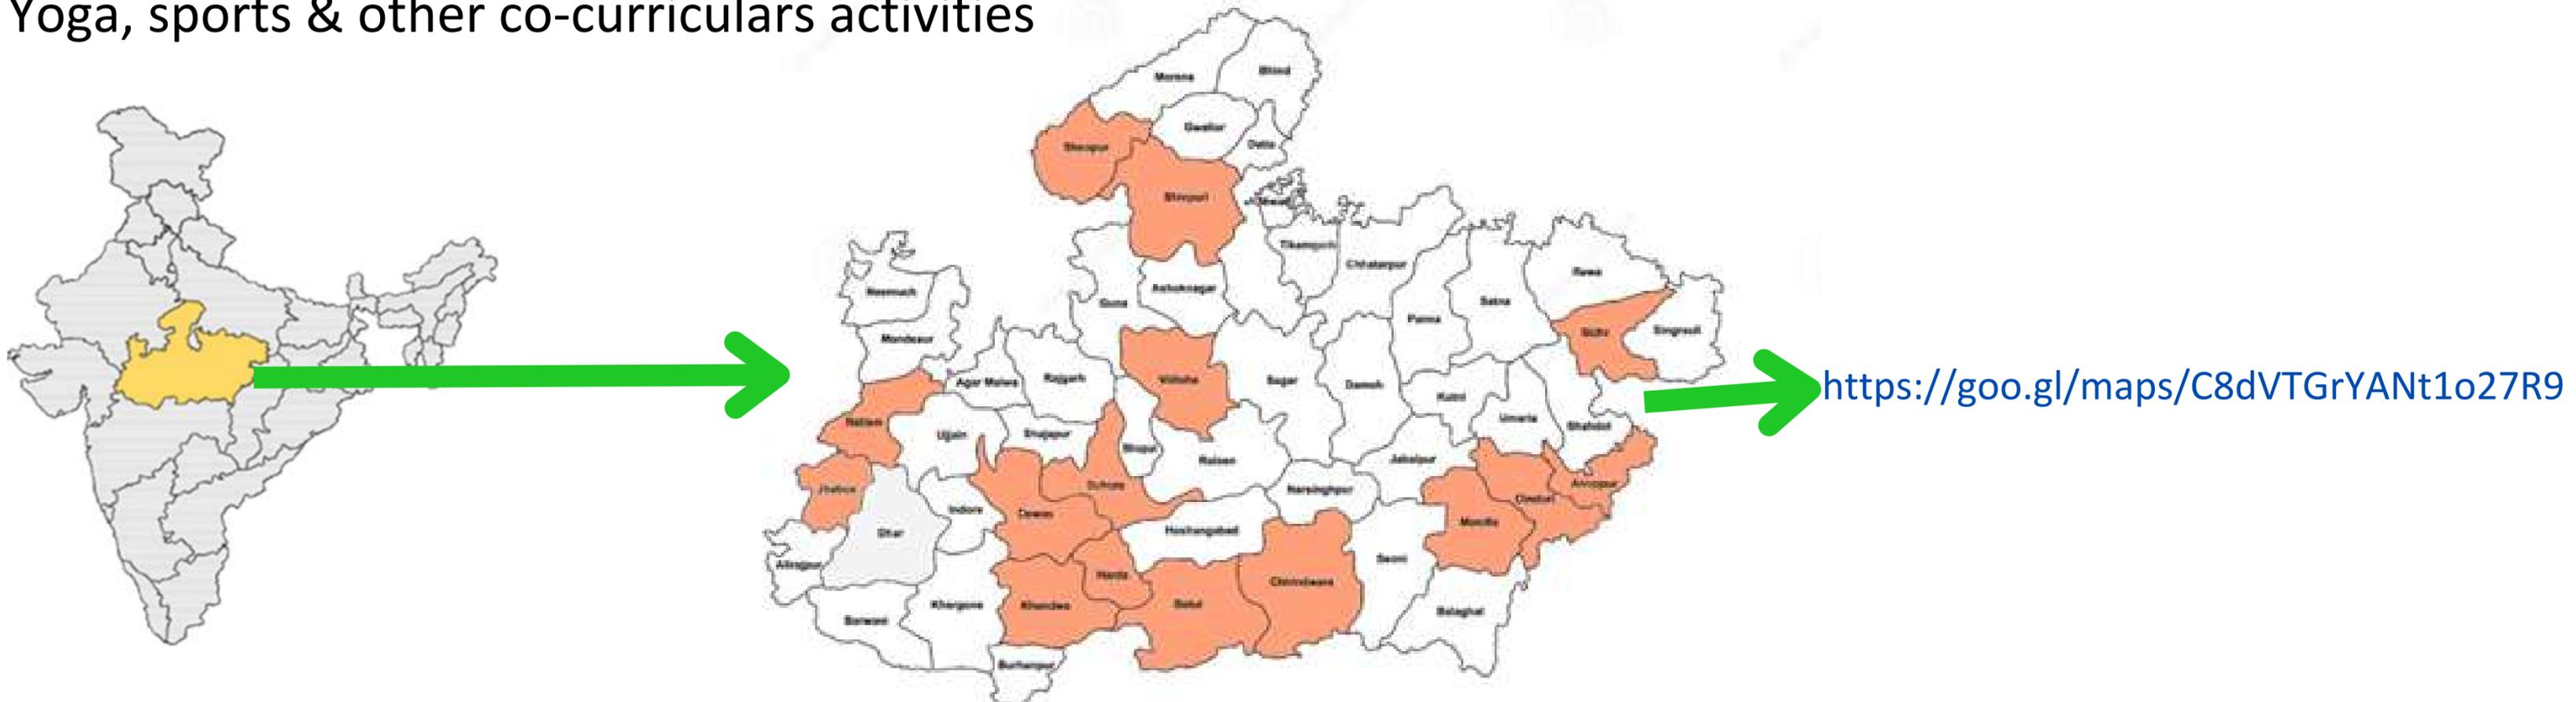

3. Mobile Health Clinics

2. 24*7 Ambulance Services

4. Parivaar Shravan Kumar Prakaalpa
:Vision Restoration Programme for Elderly

1. SEVA KUTIRS: Day-Boarding Supplementary Meals –cum- Education Centers

- Village community provided venue – zero infra costs.
- More than 50 thousand children served in 698 villages across 16 districts
- Nutritious meals and 5 hours of education in morning & evening shifts
- Staff is mostly taken from the Local tribal (indigenous) community
- Community involvement in seva Kutirs through Various activities – health & village welfare & development
Yoga, sports & other co-curriculars activities

NEED OF SEVA KUTIRS

- The state / province of Madhya Pradesh is 4th worst in wasting, 3rd worst in stunting.
- Highest Anemia among Tribal, main reason poor diet: 32 % thin adolescents against National average of 24 %
- Only 41% of Grade V students in rural MP can read a Grade II level text. In remote tribal villages, this number is even less.
- Only 20% of Grade V students can do "division". In remote tribal areas where we have Seva Kutirs, this goes down to 10%.
- Children as young as 5 to 6-year-old (both girls and boys) are addicted to tobacco.

SEVA KUTIRS : OBJECTIVES

Nutritional objectives

1. Elimination of chronic hunger by provision of meals
2. General betterment in health & lower incidence of sickness
3. Improvement in hygiene, de-addiction.

Educational objectives

1. Improvement in foundational learning.
2. All children completing at least 12 years of education without any dropouts.

Community development:

1. Supporting access to medical facilities for treatment and making government programme and benefits more accessible.

EDUCATION AND NUTRITION IN SEVA KUTIR

- Categorisation of Students based on learning levels
 - PRE-PRIMARY**: Age group: 3-6 Grades:1-2
